### 3. Bookmark Event/Page

When you click on bookmark option on recent movie list or upcoming movie list this will take you to the login page if not logged in already. Only logged in user can bookmark the movie. Once you login movie will be bookmarked and you can see the bookmarked movies.

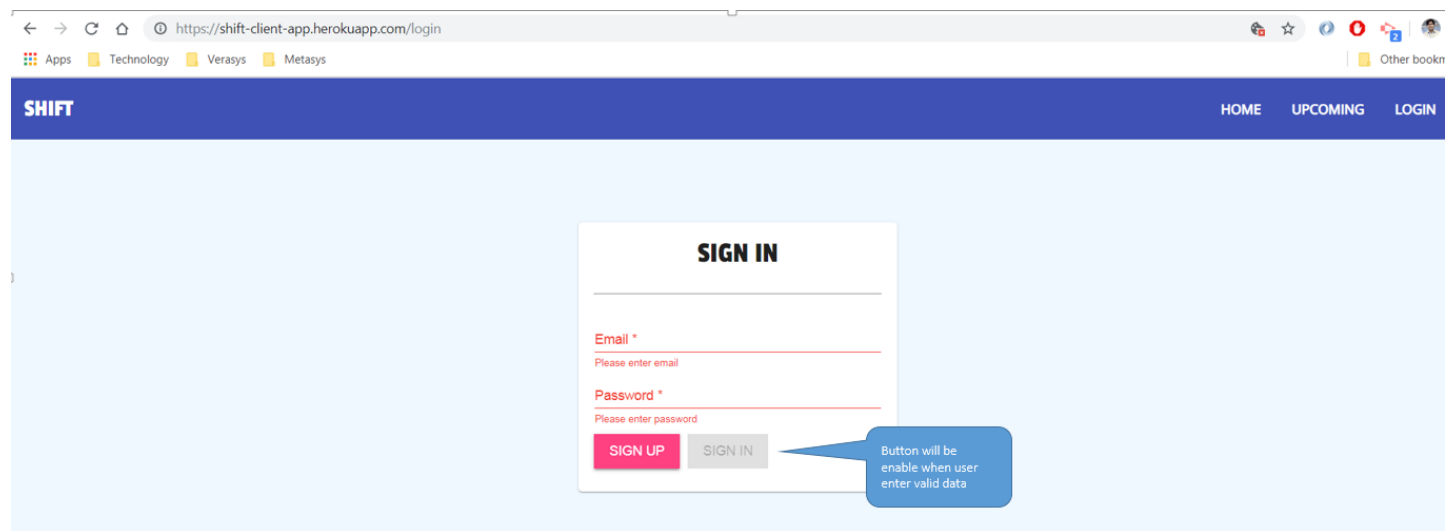

When I bookmarked movie – Terminator

When I clicked to my bookmarked option

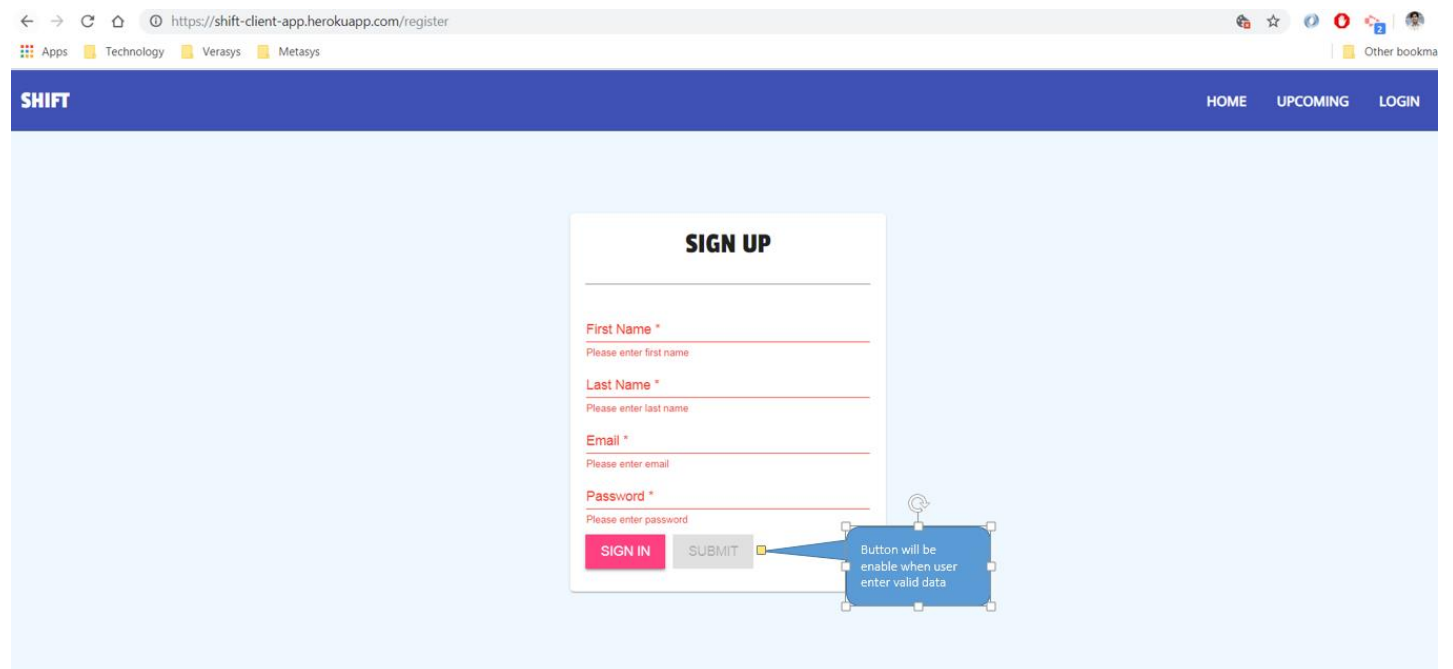

## 4. Login/Sign In Page

The screenshot shows a web browser at the URL `https://shift-client-app.herokuapp.com/login`. The page has a blue header with the text "SHIFT" on the left and navigation links "HOME", "UPCOMING", and "LOGIN" on the right. Below the header is a light blue background with a white "SIGN IN" form in the center. The form contains two input fields: "Email \*" with the placeholder text "Please enter email" and "Password \*" with the placeholder text "Please enter password". At the bottom of the form are two buttons: a pink "SIGN UP" button and a grey "SIGN IN" button. A blue callout box points to the "SIGN IN" button with the text "Button will be enable when user enter valid data".
